Dear Colleagues,

**Safer food, better business newsletter, August 2007**

Please find attached a copy of the latest edition of our SFBB newsletter that has just been published on our website. You can access it on our website at:

<http://www.food.gov.uk/multimedia/pdfs/publication/fsasfbbaug07.pdf>

The newsletter contains information on an interactive DVD that will be launched in October 2007, as the latest element of the SFBB programme.

In addition there are articles on SFBB including details of regional seminars in England, good practice in local authorities in England, business feedback, and information regarding the evaluation of all FSA food safety management tools.

I hope you enjoy the newsletter.

Yours sincerely

**TREVOR WILLIAMSON**
