

**RECALL OF 25CL 'STUBBIE' BOTTLES**  
**CASTLEMAINE XXXX AND STELLA ARTOIS**

Interbrew UK have withdrawn from sale all 25cl 'stubbie' bottles of Castlemaine XXXX and Stella Artois lagers which feature a best before dates of JUL05, AUG05 and SEP05 which are located on the shoulder of the bottle and on the cardboard carton.

The affected 25cl 'stubbie' bottles of Castlemaine XXXX are sold in cardboard packs of 10 and 24, with the affected Stella Artois 25cl 'stubbie' bottles being available in packs of 10, 20 and 24. The affected packs are only sold for consumption in the home through retail outlets such as supermarkets, off-licences and convenience stores and are not available in pubs and clubs.

The product is being withdrawn from sale as a precautionary measure due to a minor defect in the glass caused during the manufacture of the bottle.

The recall does not apply to any other Castlemaine XXXX or Stella Artois bottles or cans, or any of Interbrew UK's other brands.

END
